

FLIGHT NIGHT QUADCOPTER TEACHER INSTITUTE

Who: Middle & High School STEM Educators

What: Quadcopter Professional Development

When: **One-day Workshop for 15 Middle School Educators:**
August 4, 8:00 AM - 4:00 PM

Two-day Workshop for 15 High School Educators:
August 5, 4:00 - 9:00 PM, August 6, 8:00 AM - 7:00 PM
5 Support Webinars

Where: Sequoyah Elementary School
724 N. Birmingham Avenue, Tulsa, OK 74110

Why: Thanks to Flight Night, Tulsa Regional STEM Alliance, in partnership with Creatrex Education, is thrilled to offer this opportunity to Tulsa area educators to become proficient in the building and operation of Quadcopters. Teachers will use this training to train fellow educators and students in preparation for Flight Night Quadcopter Showcase! \$20/hour stipend will be paid to educators.

How: Please submit letter of application to xan@tulsastem.org by COB Tuesday, July 25.

Letter of application must describe:

- Applicant's interest in STEM
- Teaching experience
- Demographics of students taught
- Plan for application of knowledge gained through Teacher Institute
