

# SUMMER ACADEMY

STEM CAMPS

FREE SUMMER CAMPS FOCUSED IN SCIENCE, TECHNOLOGY, ENGINEERING, AND MATH!

**June 11-15**

Middle and High School Students

Camp T-Square is an experience in architecture that will give students a new perspective of their city.

**June 9-13**

Middle and High School Students

Students will discover explore the vast world of engineering through shadowing opportunities at local higher education locations and companies.

**SUMMER <BR>**  
GIRLS' CODING CAMP

**June 18-22**

Middle and High School Girls

In this camp sponsored by TDW Community Relations, girls will learn to code and discover how they can use coding to create new things!

**Difference Makers**  
ENGINEERING CAMP

**July 30-August 3**

Middle and High School Students

Use engineering as a force for good! In this camp, students will explore the real needs of individuals, brainstorm solutions, and design tools to assist individuals' needs.

**June 18-22**

4<sup>th</sup>-6<sup>th</sup> Grade Students

Participants will explore the interconnected ecosystem of the garden, and the connections that tie us together as a community.

**August 6-10**

4<sup>th</sup>-6<sup>th</sup> Grade Students

Don't just compete; CREATE! In this camp, students will design a new challenge for the 2018 Conquer the Gauntlet obstacle course race!

**July 25-27**

4<sup>th</sup>-6<sup>th</sup> Grade Students

Students will conduct hands-on science experiments using the latest tools & technology.
