# TRSA ADVISORY COUNCIL

## Who we are

The Advisory Council (AC) of the Tulsa Regional STEM Alliance (TRSA) is the backbone of our organization. Members include organizations and individuals who are passionate about TRSA's mission of *building broad, deep, and innovative pathways for students to access high-impact STEM careers.*

We currently have partners across the region in the following sectors:

- Philanthropy
- Business & Industry
- Higher Education
- Pre-K-Grade 12 educators and administrators
- Education partners
- Informal and out-of-school educators

## What we do

AC members establish a working relationship with TRSA. The specific tasks of the AC include:

- Bringing appropriate opportunities to the attention of TRSA and contributing to the organization's collaborative culture.
- Advocating regionally for TRSA.
- Participating in predetermined meetings of the AC.
- Catalyzing participation and membership of community stakeholders into TRSA.
- Contributing to the work of TRSA and supporting its mission.
- Supporting the initiatives of TRSA.
- Contributing to the effective working order of the TRSA Design Principles.

## How we operate

The AC meets quarterly in order to review current programs and opportunities and develop ways to strengthen the Alliance. The opportunities or programs of interest for TRSA are generated by members of this Council and other TRSA organizations. This requires active engagement and collaboration of Council members and partners.

## How you can join

Please fill out the form on the back of this page and email it to [info@tulsaSTEM.org](mailto:info@tulsaSTEM.org) to join the TRSA Advisory Council, OR go to [TulsaSTEM.org/advisory-council](https://TulsaSTEM.org/advisory-council).

# TRSA ADVISORY COUNCIL

## Application

Please fill out the form below and email it to [info@tulsaSTEM.org](mailto:info@tulsaSTEM.org) to join the TRSA Advisory Council.

Having read the requirements and qualifications to serve on the Tulsa Regional STEM Alliance Advisory Council, I commit my wisdom and passion to the vision and goals of TRSA.

I will pursue the collaborative challenge of serving on the Advisory Council in order to support and initiate innovative education pathways for Tulsa-area students, empowering them to pursue high-impact STEM careers.
