

Teacher Externships

Support local educators by hosting a teacher for a summer externship.

Externships will be for six weeks during the months of June and July, 2018. During this time, teachers will follow a schedule that mirrors a school day.

What will teachers do?

Teacher responsibilities will include:

- Project Management
- Statistics
- Communication
- Organization
- Training and Recruiting
- Community Outreach

Deadlines

Business Registration:

April 2

Teacher Application:

April 20

Interviews will take place in May.

As a part of the program, businesses will give teachers a \$5,000 salary. At the end of the externship, teachers will transform their experiences into engaging lesson plans.
