David Snell

**Senior R&D Engineer, Harsco Corp.
Aerospace Engineer**

David Snell is a senior R&D engineer for Harsco Corporation. He received a degree in aerospace engineering from Embry-Riddle Aeronautical University with a minor in mathematics. He has spent most of his career working as a design engineer and flight test engineer in the aviation industry, but now works in the oil and gas industry. David is a licensed pilot, an amateur radio operator, and serves as a deputy squadron commander in the Civil Air Patrol, the auxiliary of the US Air Force.
