

Tulsa Regional STEM Alliance

Spring Educator Grants

Award amount: \$2,500
Deadline: June 12, 2019

STEM Innovators are educators who find creative ways to excite and instruct their students. This award honors the incredible educators around us.

Award amount: Varies
Deadline: July 31, 2019

Introduce your students to the science of flight through drones! Educators who attend the Flight Night Drone Institute are invited to apply for drone kits.

**AFTERSCHOOL
FUNDING**

Award amount: Varies
Deadline: September 20, 2019

Through the generosity of Flight Night and the Charles and Lynn Schusterman Family Foundation, we are excited to grant funding for afterschool programs.

Award amount: Varies
Deadline: August 23, 2019

What is your dream professional development experience? This grant gives educators the opportunity to attend a PD of their choice.

Award amount: Varies
Deadline: November 1, 2019

Innovative classrooms need support! This grant offers funding to enable teachers to bring creative projects to their classrooms.
