

Tulsa Regional
STEM Alliance

STEM SHOPPE LEARNING SERIES

SCIENCE OF FLIGHT

In this professional development, participants will learn how to use the Science of Flight, Straw Rocket Launchers, and Mars Map kits from our STEM Shoppe Loan Program to enact meaningful, hands-on lessons for students. These kits can be borrowed from our STEM Shoppe for FREE! Teach concepts relating to flight, force and motion, astronomy, aerospace engineering, and more. Participants may win additional supplies for their classrooms.

Who: open to all K-12 educators and coordinators

When: Saturday, April 15th, 2023, from 9:00am - 12:00pm

Where: Siegfried STEM Learning Lab at Tulsa Regional STEM Alliance, located inside the Tandy YMCA at 5005 S Darlington Ave. Tulsa, OK 74135

Cost: FREE!!! But space is limited, so please register.
