Mentoring Events

- **Women in STEM** (November 2024) - **Deadline: 9/1/24** | **Presenting Sponsorship sold!**
This event brings together 300 middle-school and high-school girls for a day of STEM-themed hands-on activities, career exploration, and networking. [More details.](#)
- **Siegfried Space Week** (October 2024) **Deadline: 8/1/24**
Students of all ages engage in a week of space-themed initiatives, including astronaut visits and presentations, field trips, and Space Week family nights. [More details.](#)

Competitions

- **Siegfried Drone & Aviation Showcase** (May 3, 2024) **Deadline: 3/1/24**
The Drone & Aviation Showcase seeks to provide students an opportunity to participate in an application-focused, research-based competition so they make real-world connections while becoming more capable and comfortable in drone spaces. [More details.](#)
- **SeaPerch** (March 30, 2024) **Deadline: 2/1/24**
This underwater robotics competition is open to student teams in 3rd - 12th grades. Teams build and program their robot, then maneuver it through underwater obstacles and challenges. [More details.](#)
- **Tulsa Regional Science Fair** (January 25, 2024) - **Presenting Sponsorship sold!**
This qualifying competition for the Oklahoma State Science Fair is open to students in 7th - 12th grades from Tulsa and Creek Counties. [More details.](#)

Professional Development Events

- **SENSEational Science** (June 2024) **Deadline: 2/31/24**
During this multi-day experience, teachers choose educational tracks in which to participate and visit TRSA community partners to explore curriculum and resources to be implemented in their classrooms.
- **Exponential Growth Math Professional Development** (July 2024) **Deadline: 1/31/24**
Teachers in this multi-day institute discover exciting ways to empower students with mathematical freedom rooted in research-informed best practices for teaching mathematics.

Family & Community Events

- **Siegfried Kite Festival** (Summer 2024) **Deadline: 3/1/24**
In collaboration with a community partner, we host kite festivals during spring and summer as a way to engage youth and families in STEM through the process of building and flying kites. [More details.](#)
- **STEMtember** (September 2024) - **Deadline: 6/30/24** | **Presenting Sponsorship sold!**
September is our annual STEM awareness month during which we host a number of initiatives in an effort to remind community members that STEM is everywhere! Past initiatives have included a month-long collaboration with the Gathering Place to distribute STEM in a Bag kits to families, an educator appreciation event, a media campaign, and a community convening. [More details.](#)
- **STEM in Motion** (March, June, September, and December 2024)
These quarterly convenings bring community members together Alliance-wide to learn about goings-on in our STEM ecosystem, share updates, exchange ideas and insights, and strengthen our collective efforts towards our shared goal - making STEM accessible for ALL.
