Getting Started:

CHOOSE A PROJECT

Before students can register for the competition, they must select a research topic from the provided categories. Each category constitutes a separate competition, and winners will be chosen from each.

- Animal Science
- Chemistry
- Engineering
- Environmental Science
- Mathematics & Computer Science
- Medical & Health Science

- Microbiology & Biochemistry
- Physical Science
- Physics & Astronomy
- Plant Science
- Social & Behavioral Science

REGISTER

- **Visit: tulsastem.stemwizard.com**
- **Select Your Category:** Choose the appropriate category for registration.
- **For Teachers:** Register yourself as a "Teacher" and each student individually as a "Student."
- **Registering a Student Team:** Each student in the group should have their own account. Choose the "Team" project type and enter the team member's information.

COMPLETE RESEARCH

Before any research begins, it is imperative that all students complete the necessary forms to guarantee ethical and safe research practices. Each project requires the following forms:

- Adult Sponsor Checklist (1)
- Research Plan/Project Summary
- Student Checklist (1A)
- Approval Form (1B)

Projects involving humans, vertebrate animals, or potentially hazardous chemical and biological agents require additional forms.

Use the ISEF Rules Wizard to help determine what forms are needed based on your project idea: **ruleswizard.societyforscience.org**

Registration Deadline: November 17, 2025
Paperwork Deadline: December 15, 2025
