# SEAPERCH CHALLENGE

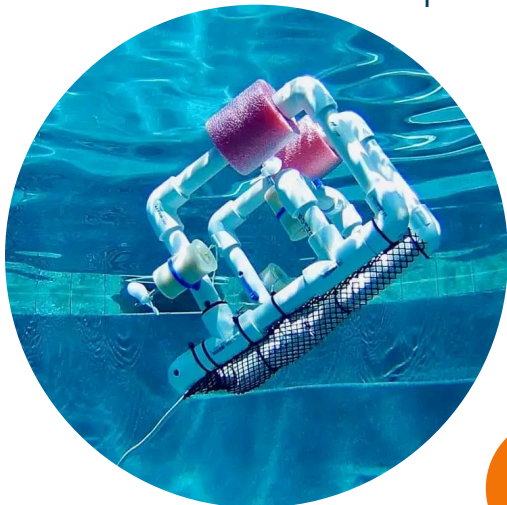

## UNDERWATER ROBOTICS

SATURDAY, MARCH 28 | 9AM-4PM  
JENKS TROJAN AQUATIC CENTER

### WHERE INNOVATION GOES UNDERWATER

Open to student teams in **grades K-12**, typically participating through schools, clubs, or out-of-school programs.

Using real engineering tools and principles, students apply problem-solving, teamwork, and creativity to complete a series of underwater tasks and missions.
